Paper Title: Ideology to Acknowledging Crisis in Trains

Dear Angad Nandwani, Jimmy Mathew, Rishabh Chaddha,

Congratulations on the acceptance of your paper! And thank you for your interest in the 5th International Conference on IT Convergence and Security.

At ICITCS 2015, IT experts, researchers, and practitioners from each field will be invited to share ideas and research technologies; moreover, encouraged to cooperate with each other to overcome the confronted technical problems. As a result, this conference will become a place of knowledge where a variety of effects can be created. Furthermore, ICITCS2015 will constitute a unique opportunity for academic and industry professionals to discuss the latest issues and progresses in the area of IT Convergence and Security. We expect ICITCS2015 to become a significant milestone for further related research and technology improvements in this important subject.

On behalf of the Conference Committee, I would like to formally invite you to attend the 5th International Conference on IT Convergence and Security to present your paper.
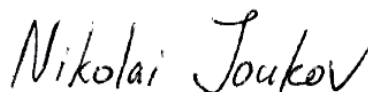

Please provide us a 'brief' biographical note for use as introductory material for your session chair at the conference. More details and instructions will be announced closer to the event.

We look forward to meeting you on February August 24th-27th.

Sincerely Yours,

Dr. Kuinam J. Kim
